"The Eleventh Hour"

Mattapoisett Veterans Day Exercises

The annual Veterans Day observance in Mattapoisett will take place on Wednesday, November 11 in the Old Hammondtown School auditorium. This year's principal speaker will be Major Kirk R. Dickenson, the Operations Officer of the 6th Space Warning Squadron, 21st Operations Group, 21st Space Wing, at the Cape Cod Air Station in Massachusetts. Major Dickenson is responsible for missile warning and space surveillance operations and his squadron's primary mission is to defend the United States by providing timely missile attack warning data to national command authorities and NORAD.

Major Dickenson received his commission as a distinguished graduate from the Reserve Officer Training Corps detachment at Texas A&M University, College Station, TX in 1982. He has extensive experience in ICBM operations at both wing and MAJCOM levels. Major Dickenson commanded one of the two missile combat crews chosen to represent the 341st Missile Wing in the 1987 Olympic Arena Competition. He has been assigned as a command evaluator and instructor, wing executive officer, and AFSPC command leader for ICBM hardness issues. Major Dickenson is a master missile and space officer with over 160 combat alerts in the Minuteman II weapon system.

Mattapoisett's Veterans Day exercises will begin at 11:00 am on Wednesday, November 11 with Opening Remarks by John DeCosta, Commander of the Florence Eastman Post 280 American Legion. Post Chaplain Michael Lamoureux will offer a prayer, followed by a performance of the "Old Hammondtown March" by the Old Hammondtown School Band. State Representative William Straus will then offer some remarks, and the Old Hammondtown School Band will perform "America, The Beautiful," "America (My Country 'Tis of Thee)," and "God Bless America."

Major Kirk Dickenson will then offer the principal speech, followed by a closing performance of "The Star Spangled Banner" by the Old Hammondtown School Band. Special thanks are extended to Major Kirk Dickenson, Stan Ellis and the Old Hammondtown School Band, Paula Roy and the Old Hammondtown School Chorus, Representative William Straus, the Boy Scouts and Girl Scouts, and the Veterans Service Office in Mattapoisett for organizing the ceremony.

Above: *Approximately 200 girls from the tri-town area filled the cafeteria of the Rochester Memorial School to listen to Lois Simner share the life story of Juliette Lowe, the founder of Girl Scouting in the United States. Ms. Simner travels the country making appearances as Ms. Lowe, posing for pictures with the girls and sharing the heritage of girl scouting. Here Ms. Simner is seen posing with Brownie Troop 118 from Mattapoisett. On October 31, Juliet Lowe would have celebrated her 138th birthday. In celebration of Juliet's birthday, the girls enjoyed refreshments donated by Cerulli's, Dunkin' Donuts, Stop & Shop, and Shaws. Monetary donations were also collected at the event and given to the Juliet Lowe World Friendship Fund. The fund is used to provide scholarship opportunities and establish girl scouting in economically-deprived areas. (Photo courtesy of Monica Spach, Plymouth Bay Girl Scout Council).*

Mattapoisett Selectmen's Meeting

November 3, 1997

Ilana L. Mackin

A regular meeting of the Mattapoisett Board of Selectmen was called to order on Tuesday, November 3 at 7:00 pm by Chairman Paul Lambalot. Also present were Selectman Michele Bernier, Selectman Barry Denham, and Executive Secretary Carol Adams.

At 7:02 pm the board reviewed the minutes from the October 27 meeting and voted unanimously to accept them. Also accepted by all board members were the minutes from the last two Executive Session meetings held on October 2 and October 27.

There being no appointments to come before the board, Ms. Adams brought the board's attention to the documents that required their signature and vote, needed for the issuance of bonds from the Massachusetts Water Pollution Abatement Trust in an amount not to exceed $1,550,000 pursuant to Chapters 29 C and 44 of the MGL, and a vote of the town passed June 9, 1997 for construction of sewers and other water pollution control facilities. This is the approval of funds to allow people to borrow money for the project that is already in progress and "off and running, or should we say pumping," said Selectman Bernier. The issue received the necessary signatures and all in-favor votes.

scheduled throughout the week as follows:

• Tuesday, November 10 at 7:30 pm - Board of Selectman, Harbormaster, Wharf Commission, Marine Advisory Board, and residents will meet regarding the Proposed Harbor Plan and Fee Schedule. Along with the board, Harbormaster Steve Mach suggested at last week's meeting to hold this public hearing on the issue.

• Wednesday, November 11 - Town Offices will be closed in observance of Veterans Day.

• Thursday, November 12 at 7:00 pm at the Old Rochester Regional High School Cafeteria - Meeting with Katherine F. Lewis, Chief of Legal Services for the Department of Environmental Management (DEM), regarding the state's proposed purchase of the Brandt Island property. Chairman Lambalot suggested to all townspeople concerned with this issue that this is the time to present any questions or concerns that you may have to Ms. Lewis.

At 7:12 pm the next order of business to be discussed by the board was the matter of correspondence. The first piece being a letter dated October 28 from the Department of Environmental Management's (DEM) Chief of Legal Services, Katherine F. Lewis, notifying the board of the November 12, 7:00 pm meeting at the ORR High School Cafeteria.

The second item was a letter to Gary Schuyler, Director of the YMCA, from Stephen Kelleher, Chairman of the Mattapoisett Bike Path Study Committee to address the issue of the proposed construction of a land bridge and motorized gates on the YMCA property as was discussed at a meeting with Mr. Schuyler on August 20. The board agreed per Ms. Adams' suggestion that they need to meet with the Bike Path Committee to further discuss this issue. Selectman Denham and Chairman Lambalot also agreed that nothing has been done yet regarding the title for this project which they will discuss further at the later meeting projected for November 17 if that is acceptable for all parties.

The third letter was an invitation for all who wish to attend the Inter-Church Council of Greater New Bedford's 45th Annual Communion Service and Breakfast on Saturday, November 21 from 8:00 am to 11:00 am at St. Gabriel's Episcopal Church in Marion.

The fourth item was a schedule notification for the week

of November 2 from the Council on Aging, received from Cynthia Paige.

And lastly there was a notice forwarded from the Planning Board with information of a meeting relative to a proposed Telecommunications Facilities Overlay District By-Law for the town. This meeting will be held on Monday, November 16 at 8:00 pm in the Selectman's office at Town Hall. Selectman Denham described the Telecommunications Facilities and their locations with the comment: "I believe the (proposed) overlay district will be along the Route 195 corridor area" and continued by stating that the towers will be a benefit to the land owners who lease their property — there are currently two built now that he knows of in the Fairhaven and New Bedford areas, with perhaps more going up in Wareham.

Hopes are to camouflage the antennas on water towers and perhaps church steeples, matters which will be discussed at

later dates. The board commented that the worries on this issue do not have to do with really where the towers are put, but what will happen with them once the technology is updated and changed at later dates. Chairman Lambalot commented that it would be nice if they could all be put up along Route 195 so that they would not easily be seen. This is a new project the board will discuss further. Though presented over six to eight months ago, it is still going through the Board of Appeals process.

At 7:17 pm, Ms. Adams reviewed her report and brought to the attention of the board the issues of some votes needed for the holiday season that may best be completed at this early date. The Selectmen were asked to vote on the Holiday Licenses for town package stores, allowing them to open at their own discretion from November 22 through December 20, 1998. This received and all-in-favor vote. The second topic up for vote being that of the New Years' Eve closing time allowance to be issued to town establishments with All-Alcoholic Beverage/Common Victualler Licenses to stay open until 2:00 am, with any disturbances to be handled by the Police Department accordingly. All board members were in favor as well.

The Annual Christmas Tree Lighting ceremony will be held in Shipyard Park on Wednesday, December 9 at 6:30 pm, with a rain dated scheduled for December 10.

Chief of Police James Moran dropped off a sample of the new police uniform patch for the board to see. In place of the previous stitched Indian is now the town logo, which still incorporates the Indian figure.

Chairman Lambalot addressed some latecomers who were curious about the Public Meeting regarding the Brandt Island Project. They were advised to attend the November 12 meeting and thanked for their concern and for coming in.

At 7:25 pm the board agreed that with no further business to be considered in Open Session, they would go into Executive Session under Exception 3 of the Open Meeting Law to consider possible litigation with Bob Cummings of East Coast Engineering, Town Counsel Thomas Crotty, and Fire Chief Ronald Scott. They would thereafter adjourn for the evening.

Marion Selectmen's Meeting

November 3, 1998

By Kenneth J. Souza

A regular meeting of the Marion Board of Selectmen was called to order on Tuesday, November 3 at 7:00 pm by Chairman Albert Winters. Also present were Selectman Loretta Schaefer, Selectman Jonathan "Jody" Dickerson, Executive Secretary Ray Pickles, and Secretary Helene Craver.

Selectmen first met with the Board of Fire Engineers who came to request an emergency transfer of $16,000 to replace the blown engine in their combination brush breaker/tanker truck. This vehicle is crucial to the daily operations of the Fire Department, and is used for off-road rescue and fire operations. The board researched other options and felt that purchasing a rebuilt engine for the vehicle would be the most cost-effective measure at this time.

To purchase a new breaker/tanker would cost an estimated $250,000. For a mere $16,000, the department can get several more years' of use out of the existing vehicle.

"The Board of Fire Engineers reviewed this with the Finance Committee (FinCom)," said FinCom member Lee Hayes. "We feel they've done their homework and the money is right ... we recommend a transfer of $16,000 from the Reserve Fund and place an article on the Special Town Meeting warrant."

With that, the Board of Selectmen unanimously voted to place an article on the upcoming December 1 Special Town Meeting warrant to transfer $16,000 from the Reserve Fund to purchase a rebuilt engine for the breaker/tanker.

At 7:10 pm the board opened a hearing to consider allowing Sunday package store openings in town from November 22, 1998 through January 1, 1999. "This is something we approve each year," Selectman Schaefer said. There being no opposition to this proposal, the board unanimously approved the Sunday package store openings for the holiday season.

Under incoming correspondence for the week, the board received a petition from fourteen residents living on Cottage Street requesting that the street lights near their home be replaced. Two of the street lights were removed in April, and two others which remain are currently not working, leaving the street "in total darkness."

Mr. Pickles advised that he called Com/Electric just before

Halloween to check into this matter. They are going to need to reinstall some wiring at the location and repair the street lights. "Could we send a letter to the residents to let them know what we're doing?" Selectman Schaefer suggested.

Continuing their discussion from last week's meeting regarding changes in license renewal fees, Selectman Dickerson excused himself from the meeting as his business requires a Common Victualler's license. The remaining board members reviewed recommendations from Mr. Pickles for updated license fees — the structure of which has not been changed since 1988. Most of the changes bring the town in line with area municipalities. With that, the board unanimously approved the following recommended license fees:

Auctioneer ($25); Automatic Amusement ($60 each device); Class I, II and III Car Dealerships ($100); Club, All-Alcohol ($900); Common Victualler ($60); Common Victualler, All-Alcohol ($1,400); One-Day Special License ($15); Retail Package, All-Alcohol ($1,200); Seasonal Wine and Malt ($900); Wine and Malt Package ($750).

The Marion Business Association sent notification to the board of their fourth Annual Christmas Stroll, to be held on Sunday, December 13 from 4:00 to 8:00 pm. This year the event has been

changed from Friday to Sunday so that more parents can attend with their children. The MBA has requested that the following streets be closed to traffic during the stroll: Front Street, from South Street to Holmes Lane; Main Street, from School Street to Front Street; Cottage Street, from School Street to Front Street; and Island Wharf Road (except for normal parking). The board unanimously approved the request to block off said streets.

A tree lighting ceremony will conclude the stroll at 7:15 pm. Mr. Pickles noted that Santa is scheduled to arrive at 7:30 pm, but that might be too late from many younger children. He is going to suggest an earlier arrival time of 6:00 pm for Santa, if possible.

At 7:20 pm the board met with Attorney Richard Schaefer to discuss a proposed conservation restriction on two parcels of land on Water Street. Selectman Schaefer excused herself as her husband is involved in the matter.

Attorney Schaefer explained that the owners of these two parcels would like to place a land restriction on the parcels which are 25,000 and 32,000 square feet in size, respectively. Both parcels (177E and 177A) are located on Water Street in the village area with a clear view of Sippican Harbor. The owners would like to place these restrictions on the parcels in perpetuity so that residents might always enjoy the scenic harbor view.

"This restriction keeps these two properties from being built on," Mr. Schaefer said. "The restriction does allow for certain continued use of the land by the owners ... they can still walk on it, retain waterfront rights, and maintain the birdhouse and gazebo. If they default on this (upkeep), the Sippican Lands Trust will have the right to continue maintenance."

Attorney Schaefer noted that both the Sippican Lands Trust and Conservation Commission have approved the proposed

conservation restriction, and if the Board of Selectmen approve it, it will then go on to the state Department of Environmental Affairs (DEA) in Boston.

"I think it's wonderful that the (owners) are offering to place a restriction on the property for the benefit of the town and residents," Chairman Winters said. "We'll always have a beautiful view of the harbor."

With that, the board unanimously voted to approve the conservation restriction on the two parcels located on Water Street.

At 7:30 pm the board met with members of the Board of Health (BOH) to discuss the future of the Visiting Nurse Association (VNA) in Marion and the services they provide. According to BOH member Elizabeth Dunn, the VNA is no longer providing the services they were contracted for to the town. The BOH expends $4,000 from their annual budget to fund the VNA, but this year they have not voted to renew their contract with the VNA.

"We've been giving ($4,000) to St. Luke's Hospital ... it seems like the services we've been getting don't warrant the $4,000," said BOH member Elizabeth Dunn. "We met with the VNA and were told that if we did a fee for service contract, we'd be paying $60 an hour. So instead, we'd like to use our line item to provide a town nurse."

At a proposed three hours a week, they could contract a professional nurse for $3,588 — or $4,784 for four hours a week. The BOH felt that contracting a town nurse on a part-time basis might fulfill the town's needs. Duties would include flu clinics, dog bites, home visits, TB screenings, assisting the school nurse, blood pressure clinics, and telephone consultations.

"It seems that we're having problems with the VNA and the way they're providing services to the town," Chairman Winters said. "Maybe we should see if we can get them to improve their

service first?"

Selectman Schaefer strongly disagreed with the contracting of a town nurse. "You're stepping back in time ... to when we couldn't handle public health services," she said. "You're expecting someone to do all this in three hours a week?"

FinCom member Lee Hayes and Chairman Winters both suggested the BOH might want to prepare a Request for Proposals (RFP) to see what type of services they could get from outside agencies. Perhaps they could get a contract with an agency that would meet their needs for the already-budgeted $4,000. "We really need to have both sides of the picture in order to make a decision," Mr. Hayes said. "Either the town should provide the service, or contract it out."

At 8:03 pm the board voted to go into Executive Session to discuss a personnel matter and would thereafter adjourn for the evening.

Rochester Selectmen's Meeting

November 2, 1998

By Kenneth J. Souza

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, November 2 at 7:00 pm by Chairman Richard D. Cutler. Also present were Selectman Naida L. Parker, Selectman Patricia Ryan, Executive Secretary James Huntoon, and Administrative Assistant Veronica Lafreniere.

After approving the minutes of the October 26 meeting with some minor corrections from Selectman Parker, the board unanimously motioned to have Selectman Parker contact Memorial School about having students participate in the annual tree lighting ceremony to be held at the Town Hall in December. Chairman Cutler also noted that Mr. Huntoon will be making further inquiries regarding someone who expressed interest in serving as the town's Americans with Disabilities Act (ADA) coordinator.

At 7:05 pm the board met with the full membership of the Finance Committee (FinCom) and various town department heads to review the 19-article warrant for the November 16 Special Town Meeting. Conservation Agent Laurell Farinon first wanted to explain two articles being sponsored by the Conservation Commission (ConCom). Under Article 12, they are requesting an appropriation of $10,000 to cover the appraisal costs on future land acquisitions — in particular,

Ms. Farinon referred to two parcels which are currently being considered.

"There are two pieces of property which the town is interested in ... and have been discussing in Executive Session," Ms. Farinon said. "With the grant money that's available now, we'd be foolish not to follow through on submitting a grant proposal for the next round in June. But we need to appraise the land in order to qualify for the June 1 (application) deadline."

Ms. Farinon explained that the allocated $10,000 would be part of a matching fund grant to cover appraisal costs, and this would apply to any future land acquisitions — even if the two currently under consideration are not purchased.

Under Article 13, Ms. Farinon and the ConCom are requesting $5,000 to update the town's recently-acquired Geographic Information System (GIS) database. "The mapping and geographical data needs to be updated on an annual basis," Ms. Farinon said. "We'll need to hire a contractor to digitize and recalculate the mapping information ... this needs to be an annual expense which should be included in the budget."

Members of the Rochester Park Commission next proposed Article 11 on the warrant which would allocate an unspecified amount of money to continue work on and complete the Dexter Lane Athletic Field project. "A few weeks back we made some inquiries with the FinCom as to whether there would be any money available on the Special Town Meeting," Park Commissioner Bill Towers

said. "We were told to submit an article and then recommend an amount."

"There's about $80,000 left which we haven't spent out of our original budget," said Commissioner Gary Laboa. "With our current projected expenditures, that money will be spent by March or April. We were hoping to get some funding to carry us through the spring ... and the Annual Town Meeting."

Mr. Laboa said that the project is running over their original estimated cost of $270,000 and would probably run closer to $300,000 or $320,000 by the time it's completed. Though the Park Commission has made every effort to save money when possible through donated services and assistance from utility companies, things like

running water to the site and installing underground electrical service have created unexpected cost overruns.

"We will have a functioning athletic area," Mr. Laboa said. "Kids will be playing baseball there in the spring. But we'll need close to $100,000 to complete the project."

Both the Board of Selectmen and FinCom felt that since finances were very tight at this time with the certification of state funding still pending, it would be best to table this article and submit an article for the full $100,000 needed to complete the project on the Annual Town Meeting next spring. "I want to see the project finished," Selectman Ryan said, "but I would rather see the remainder placed on the Annual Town Meeting (warrant)."

The Park Commissioners agreed to meet with the boards again prior to the Special Town Meeting to decide the best course of action and, if necessary, make a motion to table the article on Town Meeting floor.

At 7:30 pm Highway Surveyor Jeff Eldridge explained his request for $7,555 to supplement the already-allocated $12,445 in his budget to purchase a used sander truck cab/chassis. Mr. Eldridge would like to replace the 1976 Ford truck which is not longer reliable and get a used vehicle which would hold them over through the upcoming winter season.

"I've been looking into used trucks, which we can get from Ryder ... they're well-maintained," Mr. Eldridge

said. "I really need something for this winter season. We can move the sander (unit) over to a new truck chassis. We can get a used one for about $20,000 ... a new cab and chassis would run maybe $40,000."

However, the Board of Selectmen and FinCom members were apprehensive about purchasing a used vehicle which may or may not be as reliable as the older truck. Mr. Eldridge said the Ryder trucks he's considering are 1992 to 1993 models and have anywhere from 400,000 to 600,000 miles on them.

"I'm reluctant to spend $20,000 on a used vehicle," Chairman Cutler said. "I suggest Jeff sit down with (Town Accountant) Claudette Coutu and (Mr. Huntoon) and see if there are some other options to get through this winter. Maybe we can look into leasing a truck out of the $12,000 available ... we'd have to amend the article."

Mr. Eldridge agreed to check into leasing options and get back to the boards as soon as possible.

Fire Chief Scott Ashworth next brought good news to the Selectmen and FinCom by asking that his previous request for $18,000 to upgrade the town's vapor recovery and fueling dispenser system on Dexter Lane be amended to a lower figure under Article 19. "The people at the Fire Services felt it wasn't going to be a significant upgrade ... and the Department of Environmental Protection (DEP) agreed that we just need to make repairs to the cathartic protection (system) ... which would cost $3,000 to $5,000," Chief Ashworth said.

FinCom Chairman Michael Costa suggested that Chief Ashworth solicit three telephone bids prior to the Special Town Meeting so that the article could be amended on Town Meeting floor to include the exact amount of the repairs; Chief Ashworth agreed.

Other articles which will appear on the November 16 Special Town Meeting warrant include:

• Amending the town by-laws to include a "phased development" section (Article 1);

• Amend the zoning by-laws to change the descriptions of various zoning district locations (Article 2);

• Adopt an official zoning map for the town (Article 3);

TICKS

Last year, my dog got 10-20 ticks a day. How can I stop that from happening this year?

Your veterinarian may stock **Preventic** tick collars. These collars will minimize the number of ticks that get embedded in your dog. A new product called **Frontline** is also available from your veterinarian as a spray or drops. **Frontline** will kill ticks, as well as fleas, on dogs and cats for a month.

How can I remove the ticks that he gets?

Grasp the tick near its head with tweezers or a tick spoon and pull gently. Rubber gloves or a napkin will protect your hands in case you accidently rupture a tick that is engorged with blood.

Can tick bites make my dog sick?

Unfortunately, ticks carry **Lyme Disease** and **Rocky Mountain Spotted Fever**, both of which are very common in this area. The most common symptom of these diseases in dogs is lameness.

Letter to the Editor

To the Editor:

The Mattapoisett Police Department would like to thank the residents and business owners for their generous donations in support of the Annual Halloween Parade. This year's parade was an overwhelming success due to your participation and contributions. Your continued, positive support of the Police Department enables us to provide the best services available to you.

Congratulations to all of the award winners. It is difficult to select prize winners from such a large group, given all the thought, time and effort that is put into creating such original and scary costumes. For that, every partcipant is a winner.

In addition to all of you, we would like to thank our judges, Donald Correia, Kathy Morgan, and Patty Slater.

For their support services, thank you to: the Board of

THE LEASE BUYOUT

Here is the problem. You have decided to buy a two-family house jointly with a relative. The price is right, but only one half of the house will be available at the time of purchase -- the seller's half. The tenant still has six months to go on his lease and plans to remain. You want to occupy both units at the time of purchase. Is there a solution?

Since you do not desire to wait out the rental term, a solution to the problem could be a lease buy-out. The tenant under lease will obviously know that the lease will not be renewed, however, he might be agreeable to vacate if offered a cash inducement to do so. Lease buy-outs are very common in commercial real estate and might be applicable to this situation.

By purchasing property with the assistance of an experienced residential agent, you gain considerable advantage in working with someone who can negotiate both with the seller and with existing tenants to suit your objective.

is important that all members attend this meeting to vote on important changes to the by-laws. After the meeting a speaker will update the group on recent changes in Medicare coverage. Guests are always welcome and refreshments will be served.

Drivers Education at ORR

Enrollment for the next Driver Education class at Old Rochester Regional High School is now taking place. Due to a change in state law, a student must be at least 16 years of age on or before November 23 in order to enroll in the class. Students from ORR will be given first available seats as the program is school-sponsored.

Please call the high school (758-3745) for more information. Registration period ends Friday, November 13. The class will be scheduled to begin on Monday, November 23 and classes are held on Monday and Tuesday in Room B-123 at the high school from 6:30 to 8:30 pm and run for seven weeks.

Class charge for residents is $35. Driving hours for residents is $110. The class and driving hour charge for non-residents of the ORR School District is $160. Only cash, bank checks, or money orders will be accepted as payment. No personal checks will be accepted. Summer residents will be considered residents of the district.

Marion Art Center

Painting Exhibit

A one-man exhibition of paintings by Willoughby Elliott is now on display at the Marion Art Center. Mr. Elliott is a professor of painting at UMass Dartmouth. The current exhibition will feature a body of new work, primarily landscapes done in acrylic on linen. They are very atmospheric, capturing the light and feeling of these special places.

The show will run through November 20. Gallery hours are: Tuesday through Friday, 1:00 to 5:00 pm; and Saturday, 10:00 am to 2:00 pm. Admission is FREE.

"House of Blue Leaves"

The Marion Art Center's fall theater production of "The House of Blue Leaves," a farce by John Guare, will be presented November 13, 14, 19, 20, 21 at 8:00 pm with a 2:00 pm performance on November 15. The play was a winner of the Critics Award and the Obie Award for Best American Play in 1971. The plot focuses on the plight of a late-middle-age zoo attendant who still has lingering visions of being a songwriter. These hopes are supported by his mistress who lives downstairs. On the day the Pope is coming to New York, his son comes home AWOL from Fort Dix carrying a bomb with which he intends to blow up the Pope in Yankee Stadium. Enter a group of nuns from the roof who are trying to get a glimpse of His Holiness. There are more wacky characters, some from show biz in Hollywood to complicate things ... and that's just the beginning.

Directed by Donn Tyler, the cast includes some veteran MAC actors and some new faces. David Horne, Jane Babbitt, and Cindy Latham are supported by Carl Lamoureaux, Nicole Nicassanti, Jamie Conway, Michele Kelley, Joan Prescott, Debbie Bokelkamp, and Noel Pardo. Tickets are $8 for MAC members and students, and $10 general admission. Reservations are recommended and can be made by calling 748-1266.

Scholarship Corporation (NMSC), which conducts the program, will be presented by the principal to this scholastically-talented senior.

Some 34,500 Commended Students throughout the nation are being honored for their exceptional academic promise. Although they will not continue in the competition for Merit Scholarship awards to be offered next spring, Commended Students are placed among the top five percent of more than one million students who entered the 1999 Merit Program by taking the 1997 Preliminary SAT/National Merit Scholarship Qualifying Test.

Sippican Band Concert Performance

The Sippican School Band has been invited to be part of a very special concert at Tabor Academy on November 18 at 7:00 pm. The Tabor Academy Music Department is presenting a combined concert called "Flourish for Wind Band." The concert will feature the Brown University Wind Symphony, the Tabor Academy Music Ensemble, and the Sippican Elementary School Band. Each group will play their separate repertory and the three ensembles will combine to perform Ralph Williams' "Flout for Wind Band."

This will be a group ranging in age from 10 to 22 years and in playing experience from two months to 14 years. It will be a collection of over 100 musicians on the concert stage at one time. The performance will take place in the Fireman Performing Arts Center at Hoyt Hall on the campus of Tabor Academy. The concert is FREE and open to the public.

For further information, please contact Hannah Moore at Sippican School (748-0100), or Philip Sanborn at Tabor Academy (748-2225).

ORR Hosts Thanksgiving Dinner

The Annual Thanksgiving Dinner for Senior Citizens sponsored by the eighth graders at Old Rochester Regional Junior High School will be held on Sunday, November 22 at 11:30 am. There will be 300 tickets available, 100 for each town (Mattapoisett, Marion, Rochester) to be distributed through the local Councils on Aging.

This is the eighth consecutive year of the banquet, which is organized by the eighth grade Student Council. Any senior citizen interested in attending, or who cannot attend but would like to receive dinner at home, should call their local Council on Aging. For information on student participation, please contact Ms. Marland at ORR

Read what Elmer Lawrence has to say...
Before I came to Dr. Dunton I was in such pain that I could only sleep by kneeling down with my chest on a chair. I went to the hospital, was admitted and put on morphine but it didn't help. I heard about Dr. Dunton from my daughter and son-in-law and decided to give Chiropractic a try. I was able to sleep in bed after the first visit and within 2 weeks I was nearly pain free.
I recommend that anyone in pain give Dr. Dunton and Chiropractic a try.

Golden Retriever Calendars

Established in 1985, the Yankee Golden Retriever Rescue, Inc. (YGRR) is a voluntary, non-profit charitable organization which is dedicated to providing veterinary care, comprehensive evaluation, and adoptive homes for Golden Retrievers who are abandoned, mistreated, neglected, or left in pounds throughout six New England states. Since its founding, YGRR has provided rescue services to thousands of Golden Retrievers.

This year's fund-raising calendar features "Misty" (#2108) who was relinquished to YGRR at the age of seven weeks with five of her littermates. The owner could not provide the puppy shots which were necessary for legal sale in that state. YGRR staff worked tirelessly to provide an enriching environment for this unsocialized litter of puppies to encourage appropriate behaviors in their future homes. Misty now spends her days playing with her new family which includes her Golden "cousins" Sandy and Shelby.

Six months later, the same owner abandoned a pregnant dam, Misty's mother, with her sire at a boarding kennel. YGRR was contacted and acted quickly to move both dogs to a veterinary hospital. A second litter of six puppies was born a few days later. YGRR staff had the opportunity to work with the puppies from birth to ensure good nutrition and socialization. In total, fourteen puppies and both parents were placed in loving homes. Fortunately, future breedings were ended with the parent's surrender to YGRR. Calendars are now available at the following locations:

- Mattapoisett - Blossoms, Denise's, Mahoney's, Plymouth County Dog Club;
- Marion - Sippican Hardware, The Sitting Duck, Debbie Thompson;
- Fairhaven - Bob's Sea and Ski, Fairlane Golden Retrievers, New England Animal Hospital;
- Buzzards Bay - Preppy Puppy.

You can also obtain calendars by calling Betsy Ann Wood (758-6066) or by visiting the YGRR website http://www.tiac.net/users/laytin/yankee/.

Thanksgiving Baskets

Thanksgiving Baskets containing a turkey and vegetables will be distributed to those in need by Community Resources Network. The first 225 families who qualify from Buzzards Bay, Onset, Marion, Rochester and Wareham will be served. To apply, please call 295-0080.

The Mattapoisett Parent-Teacher Association (PTA) is offering discount cards to be used at local businesses for $5 each. Please contact Cheryl Lowney at 758-6995 or Leslie Macina at 758-6314.

Soapbox Derby in Marion

Marion Cub Scout Pack 32 will hold a Soapbox Derby at 9:30 am on Veterans Day (November 11). The race will be held on Zora Road in Marion, which will be barricaded off from vehicle traffic for the race. Each Cub Scout will have the opportunity to sit in and race the soapbox derby car which was built during their den meetings. There will be approximately eight cars in the race. A series of heats will determine the winner. The winners of the race will have their names engraved on the master trophy which will be awarded to the winning den of each year. There are 62 boys in Marion Cub Scout Pack 32.

An adult division of the race will be held immediately after the Cub Scouts finish their race. Adults can build a car and participate in the adult division for a $10 fee. For car specifications and more information, please contact Al Cordeiro at 748-1822. The public is invited and encouraged to attend the event. Refreshments will be served.

Author/Illustrator in Fairhaven

Children's Book Week at the Millicent Library in Fairhaven will be celebrated with a visit from author/illustrator Margot Apple. Ms. Apple will be presenting two programs on Wednesday, November 18 at 4:00 and 7:00 pm. The 4:00 pm program is designed for children

and the 7:00 pm program is intended for adults. Ms. Apple is the illustrator of the well-known "sheep" books such as Sheep in a Jeep and Sheep Trick or Treat. She has also illustrated The Chocolate Touch and many other books.

For the 4:00 pm children's program, Ms. Apple will bring a variety of materials which she will use to demonstrate the process of producing a children's book from start to finish. She also will do rough sketches and large drawings on newsprint pad. The 7:00 pm adult program will be a humorous presentation titled M. Apple: Housewife of Illustration. She relates her life experiences ranging from difficult to ridiculous as she struggled to gain a foothold in the world of book illustration.

Admission is FREE to the public, but pre-registration is required for the 4:00 pm children's program. Stop by the main circulation desk or call the Millicent Library at 992-5342 to reserve a space for your child. This program is funded by The Friends of the Millicent Library.

School Superintendent Meetings

Old Rochester Regional School Superintendent Elizabeth Quinn has announced a schedule of availability in the schools of the district during late afternoon and evening hours. The purpose of these evening "office hours" is to provide opportunity for parents and other community members to drop in and discuss with her perceptions, ideas, and issues relating to the operation of the local and regional schools. Those who would prefer a specific appointment during these hours or at any other time need only call her secretary, Danielle Brightman, at 758-2772, extension 13 to schedule a time. A sign will be posted at the main door of each school directing visitors to the office where Ms. Quinn is available. All meetings will be held from 5:00 to 7:00 pm, and scheduled dates for the opportunity are:

- Thursday, November 12 - Sippican School in Marion;
- Monday, November 16 - Center School in Mattapoisett;

Learning Points for Sippican

Sippican Elementary School in Marion is pleased to announce that it is participating in an exciting program that is bringing FREE technology to students and teachers across the country. Over 40,000 schools in the nation are registered in the AT&T Learning Points Program. This program brings important technology to schools by allowing AT&T Long Distance customers to help the registered school of their choice. For every dollar AT&T Residential Long Distance customers spend on qualifying phone calls (subject to availability, certain exclusions apply), AT&T automatically awards the school five Learning Points. The more supporters the school has, the more Learning Points it accumulates.

Participation in the Learning Points program does not impact supporters' rates, calling plans, or services. To direct Learning Points to the school of their choice, AT&T Residential Long Distance customers call 1-800-354-8800, extension 63168 and provide the school's account number. The account number for Sippican Elementary School is 00619584.

Whether they live across the street or across the country, any AT&T Residential Long Distance customer can help. It's simple, easy, and it really works. If you'd like to help, please call 1-800-354-8800, extension 63168, or visit www.att.com/learningpoints/.

Friends Meetinghouse Seeks Support

The Friends of the Friends Meetinghouse, in their regular post-season meeting, voiced their satisfaction with the results of the 1998 season of the "Music at the Meetinghouse" free concerts. The audiences for this eleventh season experienced beautiful weather, homemade free refreshments, and pleasant music during all three concerts. The delightful setting of the historic 1759 meetinghouse at the north end of Acushnet adds immeasurably to the enjoyment of the evenings.

New members are needed for this very worthwhile endeavor. The "Friends of the Friends," as they call themselves, only meet three or four times a year and run the three summer concerts. Please call 763-5368 or 763-2488 to volunteer.

Sippican Seniors

The next regular meeting of the Sippican Seniors will be held at 1:30 pm on Friday, November 13 at the VFW Pavilion on Route 6 in Marion. Entertainment will be "Animal Time with Unusual Critters and Parrots," followed by refreshments.

The Executive Board will meet at 9:30 am on Monday, November 9 at the Drop-In Center in Marion.

Tickets are now available for the Christmas Party to be held on Friday, December 11 at the Seaport Inn in Fairhaven. A social hour will begin at 11:30 am and dinner will be served at 12:30 pm. Tickets are $13 for guests and members with a choice of turkey or ham. They can be obtained at the November meeting from Laura Ames or by calling her at 295-0577. The deadline for reservations is December 6.

St. Anthony's Christmas Fair

The ladies of St. Anthony's Church in Mattapoisett are busy preparing for the annual Christmas Fair to be held on Saturday, December 5, 1998 at the church on Barstow Street. The fair will be held between 9:00 am and 2:00 pm.

The fair will include a raffle of a $500 bond, a Bellick Bowl, a framed hologram of Ned's Point and the gazebo, a cross-stitch by Rita Cairns, and a bike. The annual Christmas ornament will be a scallop shell with the Mattapoisett Town Seal decoupaged in the center, created by Roni King and Lee Talty.

There will also be a boutique, bakery, knit goods, and fresh greens, a Christmas auction, and a next-to-new table featuring many desirable items. Also, look for a kid's corner for young shoppers. Coffee, malassadas, donuts, and a lunch of chowder will be served. The church hall will be decorated with shells and greens to make it a Christmas by the Sea ... a fair not to be missed!

Bittersweet Fair in Acushnet

The Acushnet-Wesley United Methodist Church, 67 Main Street in Acushnet, is having a Bittersweet Fair on Friday, November 6 from 5:30 to 8:30 pm, and on Saturday, November 7 from 10:00 am to 2:30 pm. The kitchen will be serving soup, chowder, sandwiches, beverages, and dessert; and on Saturday from 11:00 am to 2:00 pm, a Meat Pie Luncheon will be served (along with sandwiches, beverages and dessert).

There will be handcrafts, Christmas crafts, jewelry, books and plants, homemade candy, and baked goods at the fair, along with children's items, Grandma's Attic, and face-painting.

Mattapoisett Veterans Survey

The Veterans Office is conducting a survey of all veterans residing in the Town of Mattapoisett. The purpose of this survey is to establish a current database of veterans in town which will enable the veterans office to better service them. All residents should have received a copy of the survey last week. All Mattapoisett veterans are encouraged to complete the form and return it to the Veterans Office by mail or drop it off at either the Mattapoisett or Rochester Town Halls. All information obtained is confidential under Massachusetts General Laws, Chapter 40, Section 51. If you did not receive the survey or should you have any further questions, please do not hesitate to contact the Veterans Office, Tuesday through Thursday from 8:00 am to 1:00 pm at 758-4114.

Russell Memorial Library

Pre-School Story Hour

Registrations are now being accepted for Pre-School Story Hour to be held on Wednesday afternoons from 1:30 to 2:15 pm for Acushnet residents, ages 3, 4 and 5. Parents are asked to remain at the library during the entire session and will help their child with a simple craft. Following are the dates and subjects of the session:

November 18: Let Us Give Thanks; December 9: Going to the Dogs; and December 16: Happy Holidays!

A reminder that the library is now open Monday from 3:00 to 6:00 pm. Also, they have internet access available for patrons.

Zoo Passes

The Russell Memorial Library in Acushnet now has passes available for the Roger Williams Zoo. These

passes are available year-round. Upon presentation of the library pass to the zoo cashier, any combination of four adults and/or children will pay only the discount rate for admission. The rate is $1.75 per child (3 to 12) and senior (62 and up), and $3 per adult.

Fairhaven High School

Spain Trip

All area high school students are invited to apply for Fairhaven High School's trip to Spain. The tentative departure date is April 14, 1999 and the trip will include Gijon/Madrid or Sevilla/Madrid. Students will stay in dormitories with Spanish classes in the morning and stay in a hotel in Madrid. No knowledge of Spanish is necessary and classes will be divided into beginner and intermediate groups.

For further information, please contact: Eileen Girouard, Department of World Languages, Fairhaven High School at 979-4050 or 979-4051.

Band Discount Cards

Many area merchants are offering generous discounts with the purchase of a discount card from a Fairhaven High School Band member. Cards are $5 each and are also available at the Fairhaven High School main office. All proceeds go to the Fairhaven High School Band.

Old Colony Regional Voke

Movie Review

Western Stake

BY ROB GONSALVES
local@wanderer.com

■ ***Vampires*, Starring James Woods, Daniel Baldwin, and Sheryl Lee. Directed by John Carpenter. Running time: 107 minutes. MPAA rating: R. At Cinema 140 in New Bedford.**

Vampires isn't another John Carpenter horror film — it's another John Carpenter western. Carpenter will be forever identified as the director of *Halloween*, but, like his idol Howard Hawks, he won't be tied down to any one genre, even within the same movie. *Vampires* delivers on its title, but it's not really about bloodsuckers; it's about gunslingers, mercenaries, screw-ups and psychos — men who can stare down supernatural horror, blow it away, and pop open a beer. The movie is best understood, and enjoyed, as a classic piece of bad-ass cinema, a remnant of a less touchy-feely age. Bram Stoker, meet Sam Peckinpah.

These vampire hunters are realistically callous, rowdy, and ugly. Led by the scowling Jack Crow (James Woods), they drag vampires out into the sunlight to incinerate them, then celebrate with booze and whores. (They work hard and they play hard.) One night, though, their revels are interrupted by a sort of übervampire — Valek (Thomas Ian Griffith), a vicious Master vampire with the long black hair and long black overcoat of a decadent rock star. Valek tears through the motel in a matter of minutes, leaving Jack, his right-hand man Montoya (Daniel Baldwin), and a prostitute named Katrina (Sheryl Lee) to tell the tale.

Jack, it so happens, is being bankrolled by the Vatican; the Church has retained him to slay vampires, for reasons I won't give away. The cardinal (Maximilian Schell) saddles Jack with a young priest (Tim Guinee) to replace the one he just lost, and James Woods' violently impatient clashes with this cringing rookie are among his funniest on film. Woods plays Jack almost as a sequel to his best performance, in Oliver Stone's *Salvador;* Jack is like Richard Boyle ten years later, recast as a vamp-killer with ambivalent feelings about the Church he grew up in. (Remember Woods' great confession scene in *Salvador?* Jack Crow's heated reaction to the mere mention of the word "confession" may be something of an in-joke.)

The motley band of Jack, Montoya, Katrina, and the priest drive around the desert, looking for Valek, who may soon convert at least one of Team Crow to Team Valek. The script, credited to Don Jakoby, takes most of the romance out of the pitiless vampires. They're not remotely elegant or complex; if they see you, they butcher you. They have to be cut down like rabid dogs — or like the zombies in a George Romero film. In some ways, *Vampires* looks and feels different from other Carpenter movies — it's more frenetic, its visuals less studied than usual — but its grimly relentless tone is perfect Carpenter. All the vampires do is kill. All the heroes do is kill vampires. In lesser hands, this could become repetitive and dull; Carpenter plays small, surprising variations throughout, as he does in his score for the film.

If Carpenter's films tell you anything, it's that he loves slobby anti-heroes who go in and get it done: Jack Crow has a long line of ancestors including Snake Plissken, R.J. MacReady, Dr. Sam Loomis, John Nada in *They Live*, Napoleon in *Assault on Precinct 13*, going all the way back to the bored astronauts in *Dark Star*, his first film. *Vampires* is grungy, disreputable fun — the kind of blood-and-tequila western that can only be made when disguised as a horror movie. The film gestures towards a deeper religious meaning, but what it's really about is the showdown between good guys and bad guys — no, make that bad guys and worse guys.

This Week's Horoscope

by Linda Black

Aries (March 21-April 19). Put in the extra effort to hold your temper. Although you're itching to tell the truth, you don't need to tell it in anger. That could do more harm than good.

Taurus (April 20-May 20). Panic may be caused by another person's impatience. Be calm, but firm, especially if your partner is advising you to wait.

Gemini (May 21-June 21). Don't let yourself get all stirred up over a work-related conflict. If you go ahead and let your partner know how you feel, that ought to be enough.

Cancer (June 22-July 22). Anticipate agitation from higher up and maybe even an outburst of bad temper. Keep your head down, especially if controversial subjects are being discussed.

Leo (July 23-Aug. 22). Let a friend break through your crusty exterior and give you a little information. You wouldn't have thought of this ordinarily, because you had your mind made up.

Virgo (Aug. 23-Sept. 22). You're worried about money but don't get into a panic. By putting a method you already know into effect, you'll be able to shut off a leak and protect your resources.

Libra (Sept. 23-Oct. 23). A rather surprising confrontation could lead to a new friendship. A rule you don't want to obey could turn out to be good for you.

Scorpio (Oct. 24-Nov. 21). Put up with an irritating co-worker. He or she may have a couple of good points, so don't throw those out with generalizations.

Sagittarius (Nov. 22-Dec. 21). You'd rather goof off than work. Use your restlessness to push yourself to try something you've been thinking about.

Capricorn (Dec. 22-Jan. 19). You're still cleaning up the mess, but that's OK. Make some changes you've been thinking about while you're at it.

Aquarius (Jan. 20-Feb. 18). You're especially intelligent and that's good. You'll need the extra brainpower and quick wit to outmaneuver a tough competitor.

Pisces (Feb. 19-March 20). Financial worries spur you to study the issues. There's something you can do to improve your lot in life, but you won't get there by accident.

If You're Having a Birthday This Week: Your work takes precedence this year. It's hectic, but the experience is invaluable.

Mattapoisett Public Library

Building Committee

Elizabeth Theriault of 8 Holly Street has been appointed to the Building Committee for the proposed $1 million addition to the Mattapoisett Public Library. Ms. Theriault, a library trustee for two years, has been head of the catalogue department at the Wellesley Public Library. Other Building Committee members are John N. DeCosta, Francis H. Gordon, David J. McIntyre Jr., Elizabeth H. Kunz, and Robert H. Atkinson.

Voters approved a $40,000 Proposition 2 1/2 override at the last election for architectural plans. The state will pay 45 percent of the total cost and the balance will be raised in a private fund-raising drive.

Poster Volunteers Wanted for Z

New Bedford's Zeiterion Theater Volunteer Association is seeking dedicated volunteers interested in joining its poster brigade. A commitment is required (through July 1999), as is finding a minimum of 15 sites in which to hang posters that advertise upcoming performances. The following communities require additional coverage: downtown New Bedford, Fall River, South Dartmouth, Rochester, Marion, Lakeville, Freetown, Bourne, Mattapoisett, Westport, Swansea, Somerset, Fairhaven, and Acushnet. To find out more about this opportunity, please stop by the Zeiterion Theater at 684 Purchase Street in New Bedford. The Z is open Monday through Friday, 9:00 am to 5:00 pm to fill out a volunteer application, or call 997-5664.

TOWN OF MARION
BOARD OF SELECTMEN
INVITATION TO BID

The Marion Board of Selectmen invites sealed bids for the printing of 1,275 copies of the Annual Town Report and 2,800 copies of the Annual Town Meeting Warrant. Each copy of the Town Report will contain approximately 250-275 pages of standard 6" by 9" size and approximately 20 pictures scattered throughout the report.

Copies of previous Town Reports and specifications may be obtained at the Executive Secretary's office, Marion Town House, 2 Spring Street, Marion, MA 02738. Copy will be camera ready and half tones will be required for photos. Both the front and back covers will contain color photographs. Delivery of the finished report to be delivered no later than March 26, 1999 and of the Warrant no later than April 6, 1999 — 1,175 copies of each regularly bound and 100 copies spiral bound with Town Meeting Warrants.

Sealed bids marked "Annual Town Report Bid" will be received at the Selectmen's office, Marion Town House, 2 Spring Street, Marion, MA 02738 until 2:00 p.m. on Thursday, November 19, 1998, at which time they will be publicly opened and read.

The bidder (contractor) shall be a qualified printer, able to complete the job from acceptance of copy from the Town of Marion to delivery of the completed Town Reports to the Town. There is to be no subcontracting or jobbing of the work. The bidder (contractor) must have been in the business at least five years at the time of the bid. References may be requested of the bidder. The Board of Selectmen reserves the right to reject any and all bids or to accept the bid deemed to be in the best interest of the Town.

quality monitoring program, "Baywatchers," has begun its seventh season of water testing in the 28 major harbors and coves surrounding Buzzards Bay. The CBB is a non-profit, regional environmental organization dedicated to the protection, restoration, and sustainable use of Buzzards Bay and its watershed. The CBB works to "Save Buzzards Bay" with 60 to 80 dedicated citizens who are helping to monitor the health of the bay waters.

Baywatchers are citizen volunteers who can be sighted weekly during the early morning hours between 6:00 and 9:00 am collecting samples of the bay from piers and docks in every town from Westport to Woods Hole. Volunteers are trained, equipped with a water quality sampling kit, and assigned a sampling site to monitor and

He's Back...

That's right, due to popular demand the "Great Aardvark Search" is back and we have new prizes! For 12 weeks (Sept. 24-Dec. 17) we will be giving away the aardvark's cousin, "Ants the Anteater" an original TY Beanie Baby. After the last week, all entries will be put into a final drawing for "Glory" also a TY original, just in time for Christmas!
For those of you not familiar with this practice, here's how it works. Each week we hide a little aardvark (shown above, actual size) somewhere in the newspaper (not counting the aardvark above). If you find him (or even if you don't) you can send in a postcard with your name and phone number to the address below to enter our Aardvark Drawing! Send entries to: Aardvark, P.O.. Box 102, Mattapoisett, MA 02739. Enter as many times as you like, you can only win once. A list of winners is available at our office, 55 County Road, Mattapoisett. We can not answer questions about the giveaway over the telephone, if you win we will notify you.

test.

The water samples are tested for temperature, salinity, water clarity, and dissolved oxygen. The data collected is used to establish a yearly record of the water quality of the bay, evaluate the success of clean-up efforts by the surrounding towns, and highlight areas in need of restoration. In the first five years important trends in water quality have been determined and noted in a comprehensive Baywatchers Report.

Since May, core volunteers have been retrained and new volunteers are being recruited, trained and are currently out monitoring. However, volunteers are still needed at the following sites:

- Marion - Hiller's Cove;
- Fairhaven - Fairhaven Ship Yard, Fort Phoenix, Nasketucket River Bridge;
- New Bedford - Acushnet River (Wood Street Bridge).

If you are interested in participating in the water testing, the CBB can use your help. Please call Tony Williams (Water Quality Coordinator) at 999-6363.

Paralyzed Veterans of America

The New England Chapter of Paralyzed Veterans of America is a paralyzed veterans service organization which has 650 members who reside in New England. The NEPVA was established in 1946 and about half the members live in Massachusetts. All of the members have sustained catastrophic spinal cord injuries or have spinal cord dysfunction. Advocacy on behalf of paralyzed veterans as well as all veterans is one of the many services NEPVA provides for members.

Other services include: attending advocacy and legislation seminars in Washington on behalf of veterans and issues that affect them, working to ensure the highest quality of health care delivered to veterans with spinal cord dysfunction, monitoring Department of Veterans Affairs Health Care delivery, researching every facet of spinal cord dysfunction, and finding an ultimate cure for spinal cord injuries. If you know of a veteran with multiple sclerosis, you may contact Joseph E. Guay, Government Relations Director at the NEPVA at (508) 660-1181. For further information, please call the local Veterans Agent, Harvey Blanchette, or Paula Butterfield in the Veterans' Office at 758-4114 (Tuesday through Thursday, 8:00 am to 1:00 pm).
